Each year we must hold an election to elect our Board of Directors. This is an important part of every community and must be done in accordance with the law. We must have enough votes to hold the election. Ballots have been sent out, if you need a replacement please contact Danny at danny@guardmyhoa.com and he would be happy to send you a new one. Please send in your votes, it is so important to the future of Paso De Lago.

See Something Say Something

We continue to have criminal activity in the park and clubhouse areas. We need your help. If you see any suspicious activity please contact our patrol service at the 714-650-7193, or contact the police.

Don't get Fined

As we all move full force into the new year, it is important to take a look at our property and see what we can do to make it better. Many lots have fallen into disarray. It is

essential to our community that we all do our part to keep our neighborhood safe and beautiful. Unfortunately, when we don't do this, fines begin. Fines for a lot that has debris, weeds, or any violation of Paso De Lago rules start at \$150.00 per infraction and go up to \$500.00. These continue weekly, possibly daily, until the infraction is rectified. So do the right thing and clean up your lot, if needed. Don't get fined, and we all have a pretty place to live.

Christmas Décor

Along with cleaning up our lots, it is, sadly, time to say goodbye to the holiday season. This means finally cleaning up those beautiful Christmas Decorations. Our community required all holiday decorations to be taken down by the 31st of each January. So if you are still holding on to the amazing holiday season it is time to let it go, and look forward to next year.

We all love our furry friends. They are like family and such an essential part of life for those of us who choose to have them. Just like family we have to take care of them. That means picking up after

them. Also always having them on a leash, with someone who can handle them on the other end. We also have dog poop bag stations in the park, free bags and easy access. Please take ad-

vantage of these and pick up after your precious pets. We thank you in advance for helping keep our community free from animal droppings.
