## COMMUNITY YARD SALE!!!

### Paso Community Party

You read that right!!! Time for a summer party to bring our community together and have some fun. Saturday, August 19th, 2023 from 12pm-3:30pm Paso De Lago will be hosting a party in the clubhouse area. This is a great way to meet neighbors, make friends, and spend some great times with your family and community. We will be providing hot dogs, hamburgers, drinks, and some mini games. We

hope to see you there.

### Yard Sale

Time to get our properties all cleaned up for the summer holiday. Paso De Lago will be hosting a community wide yard sale on August 18th-20th 2023. We will have banners posted at each entrance letting passers by know this event is coming. Why not go through those sheds or closets and take a look at what we don't need anymore. Make a little room in

your home and yard and put some money in your pocket at the same time.

### Pool Bathroom

We are currently in the design process of the clubhouse bathroom remodel. It is going to be incredible once it is completed. However, it has been delayed until fall/winter 2024. We felt it would be better not to interfere with the enjoyment of our amenities by having limited bathroom options.

## \* \* \* \* \* FIREWORKS \* \* \* \* \*

Every year we all get together to enjoy Independence day. Bbq, hot dogs, family, and friends, and fireworks. Fireworks are illegal in Moreno Valley and very unsafe. If you see anyone lighting fireworks in Paso De Lago you can report them to the Moreno Valley

PD at 951-247-8700. Fireworks are a beautiful and memorable part of the July 4th celebration, lets leave them to the professionals.

### Dumpster

Unfortunately, we will not be providing a dumpster this year.

Last year saw many misuses of the dumpster that cost the association thousands of dollars. If you need a large item pick up, please contact your trash provider and request one. Each resident is allowed a few per year for free.
